Re: Ordinance No. 2009-40 Pertaining to Fingerprinting Fees

The Police Department requested an amendment to its fee for fingerprinting services for non-criminal purposes. The current fee is \$10.00 for each person for up to two sets, and \$3.00 for each additional set. The School District charges \$25.00 and frequently refers people to the Police Department to save \$15.00. This causes the Police Department's fingerprinting schedule to fill up and push out others who need to use this service for other purposes. The Police Department requests this increase in fees to recover its cost in providing this service and to make it more competitive with the other local provider of fingerprinting services.
